FLOOR DEBATE

February 19, 2002 LR 6

Legislature, which isn't going to be very much. But it goes on to say, in the...in the language of the petition, that the commission shall establish policy for the conduct of video and electronic gaming in the state of Nebraska. Is that what we want? Do we want...

SPEAKER KRISTENSEN: One minute.

SENATOR SCHIMEK: ...an unelected commission establishing the gaming policy for this state? Or do we want the Legislature to take control of this issue and the representatives of the people make a broad-based decision that's in the interest of all Nebraskans and not just, necessarily, any special interest group? The other initiative also establishes lots of local commissions and, as Senator Beutler pointed out, they all can kind of do their own thing. And so you're going to have a lot of confusion on what is permissible and what isn't permissible and, again, I think you're going to have an explosion of gambling in this state. It all boils down to...this whole discussion today boils down to, do you want to decide, and put something on the ballot for people to look at, what the...

SPEAKER KRISTENSEN: Time.

SENATOR SCHIMEK: ...gambling policy of the state should be? Thank you.

SPEAKER KRISTENSEN: Senator Jensen.

SENATOR JENSEN: Thank you, Mr. Speaker, members of the Legislature. If LB 6A (sic--LR 6CA) passes, I don't see that that does anything whatsoever to the initiative process. And, Senator Beutler, if you could...if you could point that out to me, I would certainly be happy to...to listen. We do have an initiative process. I support that process, except with the point when you have paid solicitors out there gathering those signatures. And, Senator Schimek, you worked on this. I wished we could have come up with a solution. There apparently isn't any out there. I wish that we could do that. But even if we pass this, what's going to be the very next thing on the ballot? To expand gambling to have more casinos. Now you talk to anyone
